

HELP

IS HERE.

FEMA

In the wake of a disaster,
there are many people in need of
help whose voices are not always heard.

But help is available to those
who need it through the Federal
Emergency Management Agency (FEMA).

We can help if your
home or property has been damaged,
you've lost your job or income,
or face other emergency needs
due to the recent disaster.

If you've been affected by the recent
disaster, please call us at 800-621-FEMA.
Or visit www.fema.gov.
